Dear Jim,

As part of your benefits for engaging in a \$10,000 level corporate partnership with Western State College Athletics, we have named a scholarship for a student-athlete in your business' name. This scholarship is worth the equivalent of resident tuition & fees (about \$3,350.00 for 2006-07). We have identified the student-athlete that is receiving this scholarship in your business' name and we want to introduce her to you.

I have enclosed a short "bio" on this individual. You will be hearing more from Beth and her coach in the near future. We hope that this will help you see, even more clearly, the kind of difference that your investment in the corporate partnership makes as most of the money our Mountaineer Athletic Association Corporate Partnership brings in goes directly to scholarships for student-athletes.

We hope you are able to observe this student-athlete in competition, and we want to thank you for your continued support of Mountaineer Athletics.

Sincerely,

Greg Waggoner, Ed.D.
Athletic Director
